

Our Year Begins with Sleeves Rolled Up

Introducing our newest signature project: Horizons Atlanta

For 75 years, Buckhead Rotary has lived Service Above Self—and our first meeting of the 2026-27 year proved that legacy has never been stronger. From the opening minute, it was everything our club does best: purpose, energy, and impact.

We started not with speeches but with our hands. Before the meeting was fully underway, we stuffed 100 Buckhead Rotary backpacks for Horizons Atlanta scholars heading back to school in a few weeks. There's no better way to open a year of service than with work that makes a difference right away.
